## ABOUT US

Texas ASCD is dedicated to transforming education in Texas by equipping educators with the professional skills necessary to provide a rigorous and relevant learning experience that leads to student achievement. As a 501(c)(3) non-profit association, we recognize the daunting task of providing professional learning events to educators across the state, and we rely on the support of our corporate partners to continue our mission.

Our commitment to lifelong learning for educators is unwavering, and we remain a constant resource in the ever-changing world of education. Together with our corporate partners, we can make a significant difference in promoting educator achievement and creating lasting change for students across Texas.

By partnering with Texas ASCD, your corporation will gain increased brand visibility and have access to a highly-targeted market. Your investment will demonstrate your commitment to state educators and ultimately benefit the children of Texas. We offer a range of customizable benefits to meet your individual corporation's needs and provide an outstanding return on investment.

Since 1947, Texas ASCD has been a champion for improving teaching, learning, and leading. Our membership of over 3,000 superintendents, curriculum directors, principals, teachers, and regional affiliates across the state is a testament to our commitment. Your corporate donation will support our annual conferences, professional learning institutes, and regional academies, providing educators with the tools and resources necessary for success. In return, Texas ASCD will deliver maximized corporate recognition and customized opportunities for interaction with our membership in various forms of media and face-to-face settings.

Join us in our mission to transform education in Texas and make a difference in the lives of students and educators alike. Together, we can create a brighter future for Texas education.
